

The BK Collection

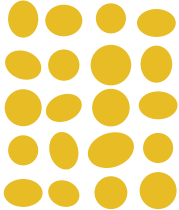

How many eggs do you see in each cluster?

$3+3+3= \underline{\hspace{2cm}}$

$4+4= \underline{\hspace{2cm}}$

$5+5+5+5= \underline{\hspace{2cm}}$

$2+2= \underline{\hspace{2cm}}$

$2+2+2= \underline{\hspace{2cm}}$

$1+1+1= \underline{\hspace{2cm}}$

What is the largest number of eggs in each cluster?

What is the least number of eggs in each cluster?

Count the number of eggs in each cluster and write on the line whether it is an odd or even number.

Color the number of eggs written under each cluster.

two

five

three
